O R D E R

By Order dated August 2, 2010, the Commission required the parties to file an interconnection agreement in furtherance of their settlement of the remaining issues in this arbitration proceeding. The parties were instructed to submit the filing within 30 days of the date of the Order.

On September 1, 2010, the parties filed a joint motion to seek an extension of time to file the agreement. The parties requested that the deadline to file the agreement be extended to September 15, 2010, as they are currently circulating the document to procure final signatures from the representatives of each carrier and the extension of time will be used to complete this portion of the agreement. Having reviewed the motion, the Commission finds that the motion for an extension of time should be granted.

The Commission, being sufficiently advised, HEREBY ORDERS that:

1. The motion for an extension of time is granted.
2. The parties shall file an interconnection agreement for Commission review no later than September 15, 2010.
3. The Commission shall issue a decision on the interconnection agreement by separate Order.

By the Commission
